

Built especially for

heavier than average individuals (bariatric applications). The Eclipse carries extra heavy loads while delivering style and performance.

- **Unique Wheelbase Design** ? ensures most of the weight is carried on rear wheels, allowing front casters to pivot and roll with ease
- **Rigid Frame** provides high strength stiffness and long life
- **Easily Transportable** with removable back, rear wheels, armrests and front rigging
- **Narrow Overall Width** facilitates accessibility in the environment
- **PDG's exclusive TGIF (Thank Goodness it Fits) Warranty** - ensures our product fits the user
- **Frame Guarantee** - frame has a five year guarantee against defects in materials and workmanship
